

# MUSIC ACTIVITIES

**MAY 20-27**

Hi Lena Families,

Below is a list of activities you can do this week. Please remember these are optional and just for fun! You do **NOT** need to return the game board from this packet.

## Hop Across the Pond

1. Get 1 pencil, a place marker (lego, earring, pen cap, rock) for each player and 1 paper clip (or bobby pin).
2. To spin the spinner, place the pencil point down on the center of the spinner. Then, place the paperclip underneath the pencil point and flick the paperclip with your finger.
3. If the note name you spin matches the note in the next space, move your game piece ahead to that space. Do not skip any spaces.

As usual I will be posting new activities on our music website, [lenamusicmsd.weebly.com](http://lenamusicmsd.weebly.com).

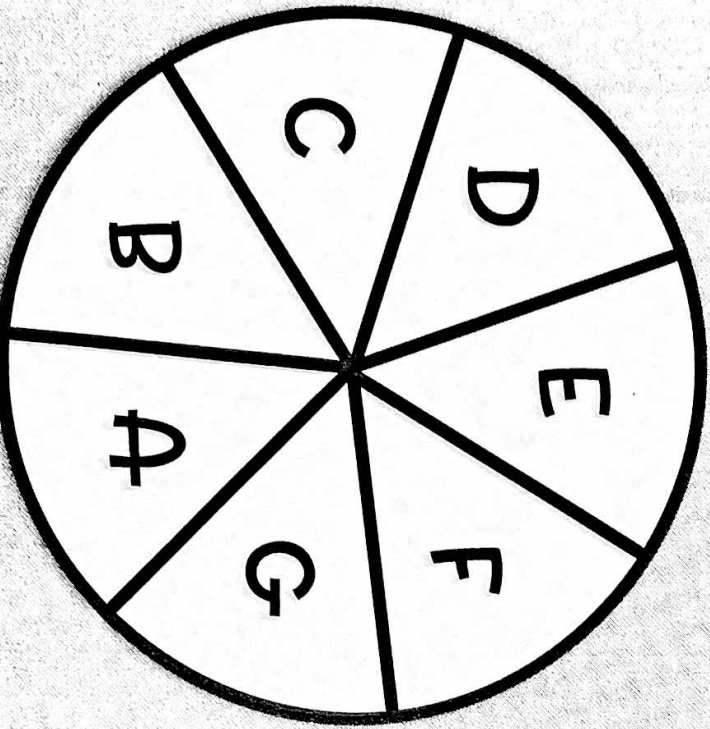

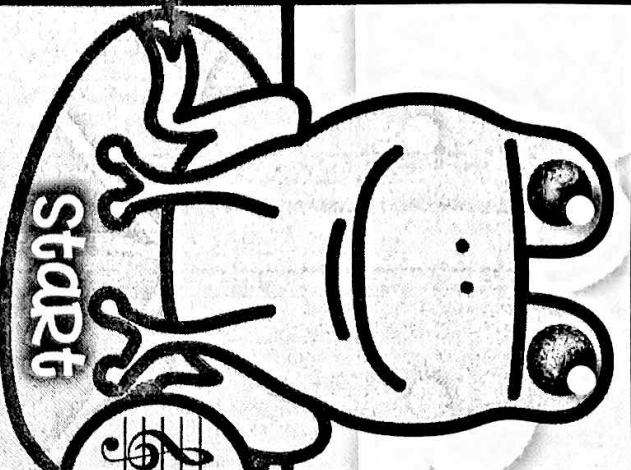

Have a great week!

Shannon Davies

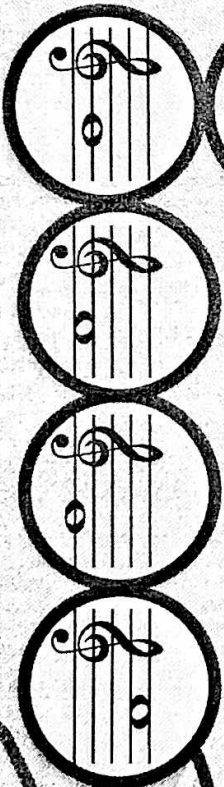

# HOP across THE PEND

Take turns spinning the spinner. If the note name you spin matches the note in the very next space, you may move forward to that space. Do not skip spaces. The first player to the last circle wins.

SPINNER
