

HEY FOURTH GRADE!

Happy Spring! 🐰 I miss singing, dancing and playing instruments with you! Here is a song that I have been listening to this week. It always brings a smile to my face!

This week, I would love for you to listen to a **new** song. You can listen to it on the radio, on a CD, Spotify, YouTube or even in a video game. Try to find a song that you wouldn't normally listen to all the way through.

Then, think about it! Did you like the new song? What did you like about it? Did you dislike it? Why didn't you like it? Will you be adding it to your playlist? Why or why not?

If you have the time and emotional space to do so, please check out our music website at:

Sincerely,
Ms. Davies
