

# MUSIC ACTIVITIES

APRIL 29-MAY 6

Hello Lena Families!

It sure feels like April has flown by! I hope you all have been enjoying the videos our staff has been making each week. I miss you all very much.

This week for music:

1. Trace the "Buzzing Into Spring" page with your finger while you match the sounds with your voice.
2. Draw your own path from the rose to the bee. Then, trace your path with your finger while you match the sounds with your voice
3. Check out our music website at [lenamusicmsd.weebly.com](http://lenamusicmsd.weebly.com) for more activities and videos you can sing and play along with!

Have a great week! 😊
