

MUSIC ACTIVITIES

MAY 20-27

Hi Lena Families,

Below is a list of activities you can do this week. Please remember these are optional and just for fun!

1. Using the worksheet on the next page, help water the flower by drawing a path from the watering can to the flower. Then, sing your path while tracing it with your finger.
2. Color in the picture.
3. Check out the music website at lenamusicmsd.weebly.com or by using this QR code.

Have a great week!
