

# Hi First GRADE!

How's it going? I miss you! And I hope you are hanging in there with your new routine, whatever that may look like for you.

## DID YOU KNOW...

We now have a Lena Music website! I will be posting online activities and fun brain breaks for you there. None of this is required, I just hope to post things that you will hopefully enjoy doing.

Please check out our website at:

[lenamusicmsd.weebly.com](http://lenamusicmsd.weebly.com)

Here is your music activity for the week. Please remember this is totally optional! Only do it if you have the time and emotional space to do so 😊

### Music Interview

Directions: Find someone to interview about their musical experiences. This could be someone who lives in your home, like a parent or older sibling, or maybe you could make a phone call to a grandparent, aunt or uncle, or cousin! I'm sure one of your relatives would love to hear from you 😊

Ask them the following questions:

1. Who is your favorite band or musician?
2. What was the first concert you ever attended?
3. Have you ever played an instrument in band or orchestra? How did you choose that instrument?
4. Have you ever sang in a choir?
5. If you could play any instrument in the world, what would it be and why?

Did any of their answers surprise you? What about inspire you?

# ULTIMATE LUNCH!

What would  
you like  
to eat  
for lunch?

Draw a  
picture  
inside the  
lunchbox!

A simple line drawing of an open lunchbox. The lid is flipped up, revealing a blank interior space. A small rectangular latch is visible on the inside of the lid. Two lines extend from the sides of the lunchbox, suggesting it is part of a larger scene or a drawing area.
