

Week 5 - April 22-29

Hi Lena Families,

I have been thinking of you all so much and I can't believe we are into week 5 of distance learning. I miss all of my students and hope you have all been enjoying the Lena staff videos we have been making for you.

Please remember everything I send home for music is completely optional! My intention is to provide creative activities and brain breaks, not to create more challenging work for you at home.

This week I am sending home a bingo board. See how many boxes you can check off! And as always, I will continue to post digital learning activities on our Lena music website at:

Lenamusicmsd.weebly.com

Stay safe!

-Ms. Davies, Music

MUSIC BINGO

Sing a song	Doodle on the bingo board	Visit the Lena Music Website		Make a track at Incredibox.com
