

# MUSIC ACTIVITIES

MAY 6-13

Hi Lena Families,

I hope you have been enjoying all of this sunny weather! I can't believe how quickly spring came.

This week for music:

1. Design your own musical instrument! Think about how you want it to sound. Will it have strings? What is it made out of? Draw and color your instrument on the next page.
2. Check out the video I made playing pots and pans in my kitchen! Feel free to play along with me 😊

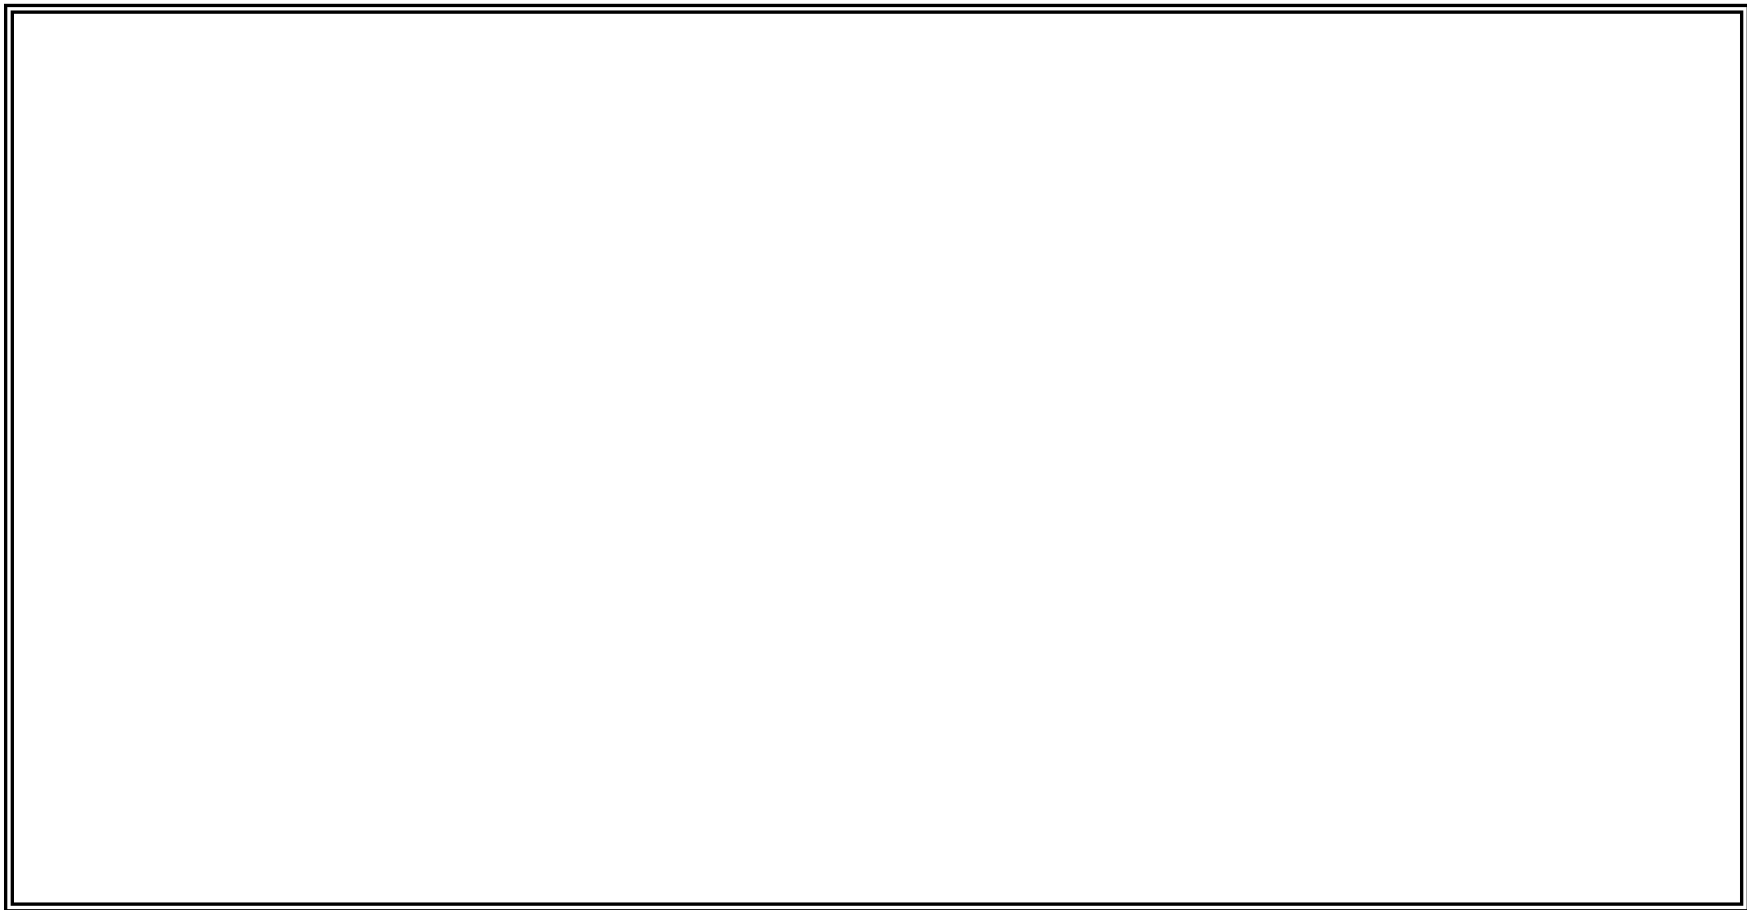

3. Visit our Lena Music website at [lenamusicmsd.weebly.com](http://lenamusicmsd.weebly.com) or by using this QR code.

Enjoy your week!

-Ms. Davies
