

MUSIC ACTIVITIES

MAY 13-20

Hi Lena Families,

I hope you all have been able to enjoy some time outside in the sun! As we become more settled into our routines at home, I want to remind everyone that all the activities I send home are optional and designed to be a creative addition to your child's day, not stressful for you or your kiddo.

This week for music:

1. Find as many instruments as you can on the next sheet!
Color the instruments first, then go back and color the rest of the picture.
2. Check out the Lena Music Website
(lenamusicmsd.weebly.com) to see videos of me singing and reading you stories, as well as other musical activities for you to do!

I hope you all have a great week and can't wait to see your pictures!

-Ms. Davies

Hidden Instruments

Find and color the missing instruments. Search for 3 instruments from each of the instrument families in the orchestra.
