

MUSIC ACTIVITIES

MAY 13-20

Hi Lena Families,

I hope you all have been able to enjoy some time outside in the sun! As we become more settled into our routines at home, I want to remind everyone that all the activities I send home are optional and designed to be a creative addition to your child's day, not stressful for you or your kiddo.

This week for music:

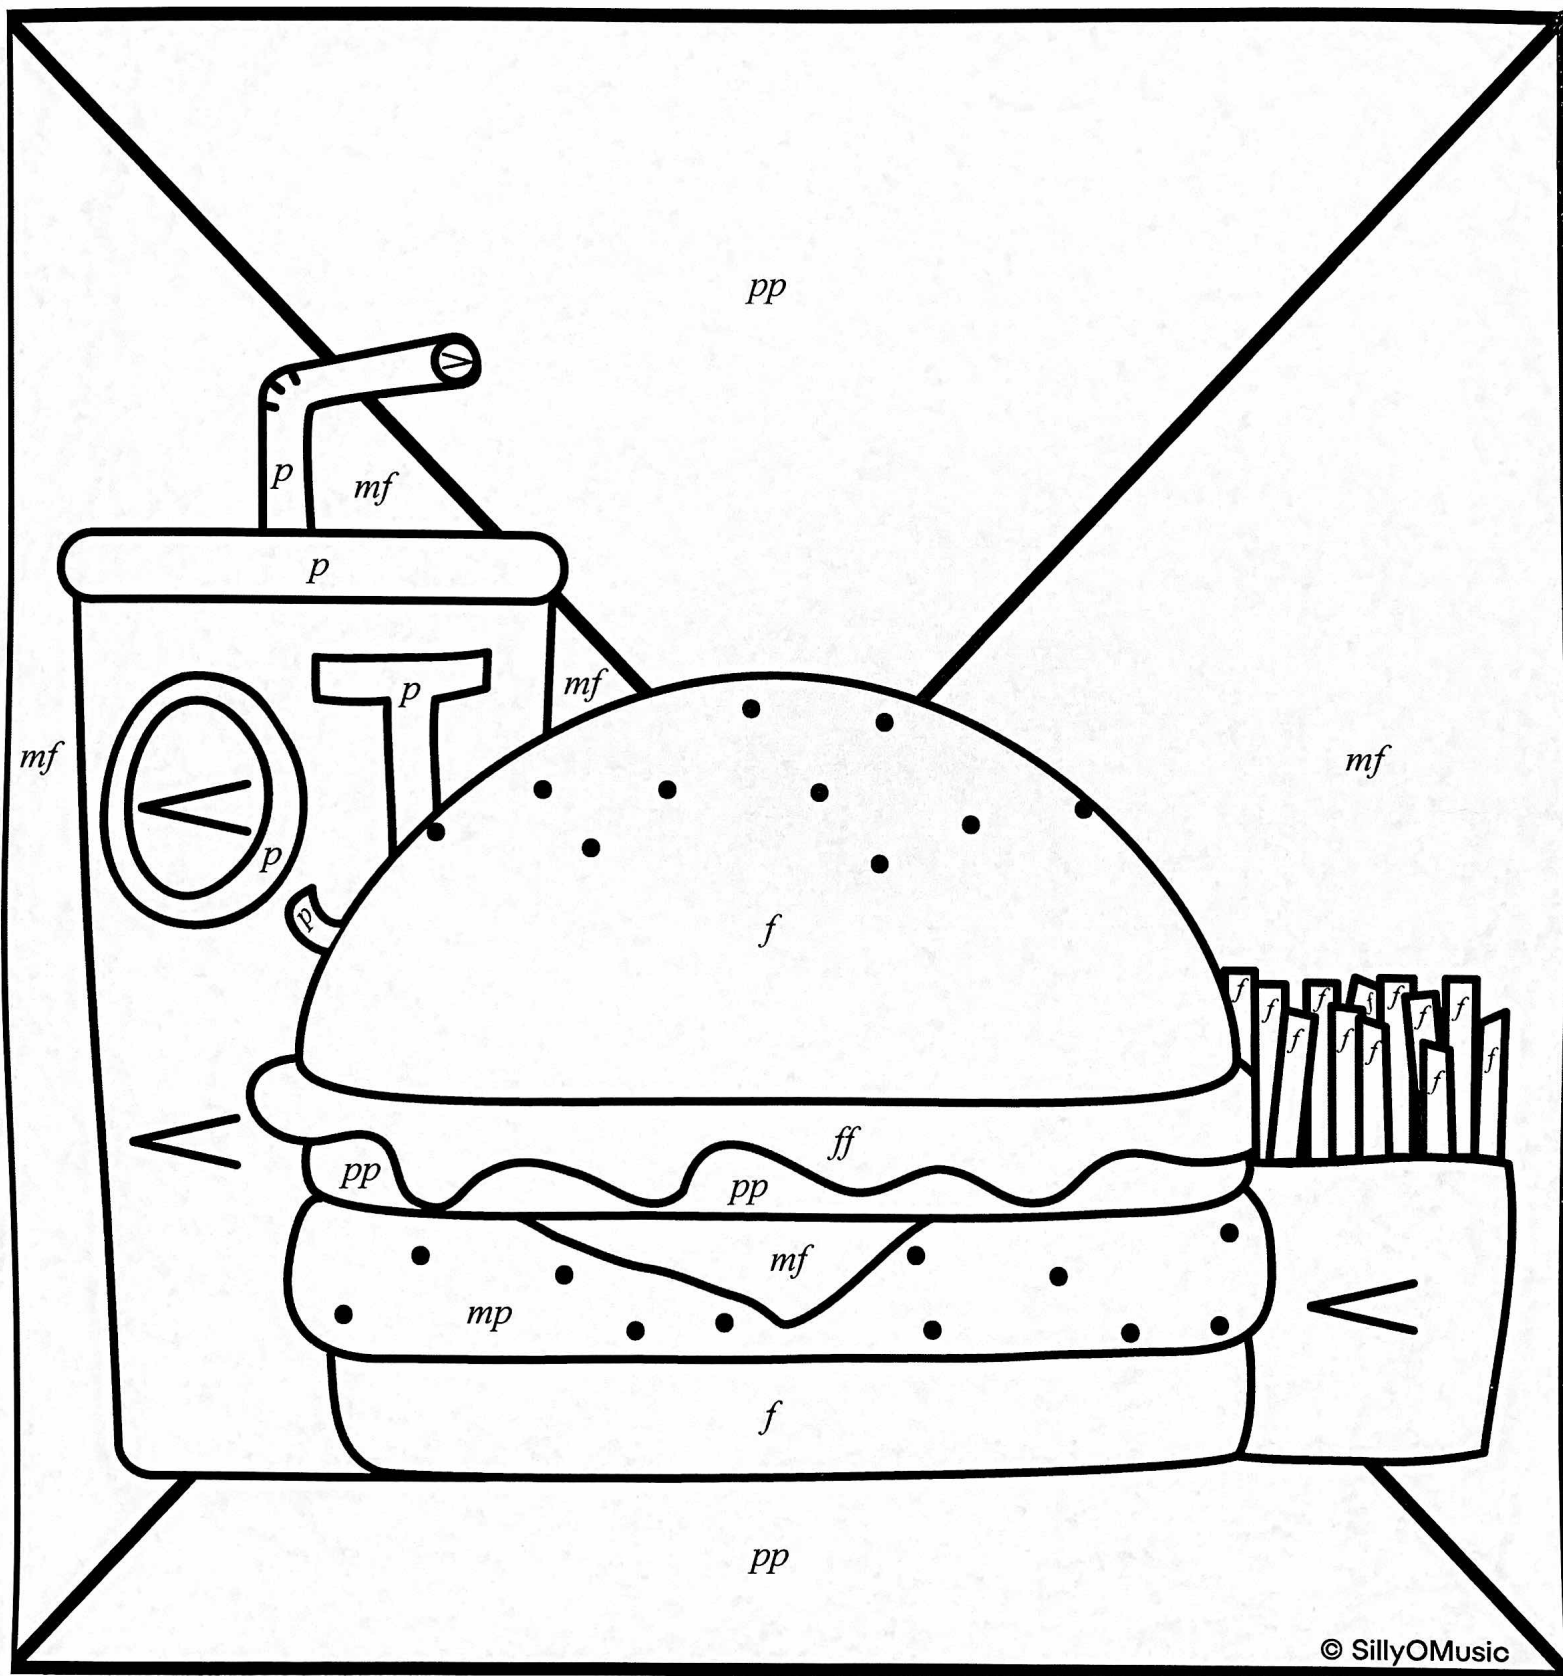

1. Color the picture according to the dynamics chart. For an extra challenge, make your own color by dynamics or note picture! I will send a student created color by dynamics or color by note in next week's packet.
2. Check out the Lena Music Website (lenamusicmsd.weebly.com) to see videos of me singing and reading you stories, as well as other musical activities for you to do!

I hope you all have a great week and can't wait to see your pictures!
